

We have the power to catalyze change. That is the number one thing that we can do.

Katharine Kayhoe, Climate Scientist

The environment is where we all meet; where all have a mutual interest; it is the one thing all of us share.

Lady Bird Johnson

Keep close to Nature's heart... and break
clear away, once in a while, and climb a
mountain or spend a week in the woods.
Wash your spirit clean.

John Muir

Look deep into nature, and then you will
understand everything better.

Albert Einstein

A true conservationist is a man who knows that the world is not given by his fathers but borrowed from his children.

John James Audubon

Live in each season as it passes; breathe the air, drink the drink, taste the fruit, and resign yourself to the influence of the Earth.

Henry David Thoreau

Look Ahead. You are not expected to complete the task. Neither are you permitted to lay it down.

The Talmud

Here is your country. Do not let selfish men or greedy interests skin your country of its beauty, its riches or its romance.

Theodore Roosevelt

A nation that destroys its soils destroys itself. Forests are the lungs of our land, purifying the air and giving fresh strength to our people.

Franklin D. Roosevelt

In every walk with nature one receives far more than he seeks.

John Muir

Humankind has not woven the web of life.
We are but one thread within it. Whatever
we do to the web, we do to ourselves. All
things are bound together ... all things
connect.

Chief Seattle

I believe in God, only I spell it Nature.

Frank Lloyd Wright

You cannot get through a single day without having an impact on the world around you. What you do makes a difference, and you have to decide what kind of difference you want to make.

Jane Goodall

The good man is the friend of all living things. *Gandhi*

Environmentally friendly cars will soon cease to be an option...they will become a necessity.

Fujio Cho, President of Toyota Motors

There is a pleasure in the pathless woods.
There is a rapture on the lonely shore. I love
not man the less, but nature more.

Lord Byron

Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it's the only thing that ever has.

Margaret Mead, anthropologist

He that plants trees loves others beside himself.

Thomas Fuller, churchman and historian.

Earth rejoices our words, breathing and peaceful steps. Let every breath, every word and every step make the mother earth proud of us.

Amit Ray, author and spiritual master

The earth is what we all have in common.

Wendell Berry, novelist and poet

The ultimate test of man's conscience may be his willingness to sacrifice something today for future generations whose words of thanks will not be heard.

Gaylord Nelson, Founder of Earth Day

Nature is painting for us, day after day, pictures of infinite beauty.

John Ruskin, writer and philosopher

Do not get lost in a sea of despair. Be hopeful, be optimistic. Our struggle is not the struggle of a day, a week, a month, or a year, it is the struggle of a lifetime.

John Lewis

Nature never hurries; atom by atom, little by little, she achieves her work.

Ralph Waldo Emerson

We are instruments of God for the care of creation.

Pope Francis, Laudato Si

We must care for nature so that nature may care for us.

Pope Francis, Laudato Si

We are not defending Nature.

We are Nature defending itself.

Bruno Latour, in Down to Earth
